## **“HAVANA TV WANTS YOU TO WANT US...”**

在一个每个词都被用来伤害、贬低或诽谤的世界里；其目的是压制或转移那些与我们自己接受的“什么是真理”的变体不同的人，或者只是为了抓住公共广场的肥皂盒，以愚弄我们这些无知的、挤成一团的普通民众；当我从荒野中尖叫时，我像真理的耶稣会士一样高高地站着，你刚才说的是“一坨屎！”

In a world where every word is used to hurt, belittle, or slander; its purpose is to suppress or divert those who are different from our own accepted variants of "what is truth", or just to seize the public square soapbox to fool us ignorant, huddled common folk; I stand tall like a Jesuit of Truth as I scream from the wilderness, what you just said was "A piece of shit!"

## “HAVANA TV WANTS YOU TO WANT US...”

有了这个新的启示，我们失望地得知这个我们称之为现实的世界实际上只不过是一个影子，一个纯粹的投影，一个我们只能相信是为上帝的娱乐而产生的空旷场所，因此，可以有没有对或错，因为这只是模拟，动作或反应仅仅是软件编程选项。

With this new revelation, we are disappointed to learn that this world we call reality is actually nothing more than a shadow, a pure projection, an empty place that we can only believe was created for God's entertainment, so, there can be no right or wrong since this is just a simulation, actions or reactions are just software programming options.

最后，没关系，我的想法与你的想法不同。重要的是，由于我可以为对话做出贡献，您可能会发现什么对您有用。但是，请注意，一场暴风雨即将来临，我们都不会活着离开这里，因为我们从来都不是真实的！

In the end, it's okay, my thoughts are different from yours.

Importantly, since I can contribute to the conversation, you may find what works for you. But, beware, a storm is coming, and none of us will get out of here alive, because we're never real!

# IN THE END DOES IT REALLY MATTER?

We have waded now into the fall of back reaches of the swamp of 2023 and little has changed – at least NOT for the better.

“A Great Civilization is NOT conquered from without until it has destroyed itself from within.”

We stand here on the edge of a new dark age (The Great Social Reset) and like

## GAIUS SALLUSTIUS

we are sadden by the fall and fear the coming age of darkness that is to come. As Roma was finally weakened by a cadre of a new religion who preached as to the systemic evilness of the Roman Empire, how it was founded by evil-minded white

# IN THE END DOES IT REALLY MATTER?

men who used the super powers of their white privilege to enslave most of the know (non white) World and this alone allowed those who had been held at bay out on the fringe of the Empire's Frontiers for almost

## A THOUSAND YEARS

it allowed them to merely walk in freely, without resistance from a population demoralized by a hundred years of demonization of themselves and how they (somehow) deserved their faith due to the sins of ancestors that could no long (even)

## BE REMEMBERED

Emil

Emil

Emil

# IN THE END DOES IT REALLY MATTER?

In this rare and strange time strength became evil and weakness was virtued above all and many Romans welcomed their

## CULTURE'S DESTRUCTION

as their fate and duty to escalate its passage.

Gaius Sallustius wrote all his observations for hopefully that a future civilization would read, see the same warnings signed that his contemporizes overlooked or failed to heed

due to their own greedy interests, corruption or that they truly believed the

## INDOCTRINATION

of a cadre of politically minded priest set  
that gave more value to the seeking of total  
political, social control over even, their

## SWORN DUTY TO GOD

Entire Roman Legions gave up and laid down  
their weapons without threat due to the fact  
that the common legionnaire no long  
believed in an Empire that they had been  
taught was totally rotten to its core.

Why die for a society that FREELY tells and  
teaches you from an early age that they are

## EVIL AND WICKED?

# IN THE END DOES IT REALLY MATTER?

Why defend ancient ways, traditions that made Roma the greatest nation in the History of the World when you are taught the invaders were mostly, immediately sent by a Perceiving God to smite Roma on to the dustbins of history...to right the evil and wicked sins that you carried with you from your very birth as your own

## "MARK OF CAINE"

due to your forefathers and their evil ways?

## LET US PRAY...

# IN THE END DOES IT REALLY MATTER?

**“WOKENESS BE THY NAME!”**

Today, we are Gaius Sallustius and Gaius Sallustius is us...we share the same vantage point and see that it is true that in our own final days of the freedom; our own elite (much in the same manner as his did eons ago) dance and feast with sure abandon in celebration of the dawn of a new dark age of civilization's retreat much as his testimony

## **FOREWARNED US TO...**

Welcome to the brave new age of corporate socialism mixed very freely (not shaken but stirred) with a dash of feudalism thrown in

# IN THE END DOES IT REALLY MATTER?

**“WOKENESS BE THY NAME!”**

for the benefit of our new corporate overlords (and their paymasters...the CCP) where initially God is replaced by demanded all people swear fidelity to our

**NEW CORPORATE MASTERS**

if they want to maintain their social credit score and not be subject to cancelation from

# PROPER SOCIETY

As the cadre of Roma's priestly cast used the fear of a vengeful God willing to smite all that dare question the words or demands of

Emil

# IN THE END DOES IT REALLY MATTER?

his designated servants (or so they  
successfully claimed that they were);  
so too is our new priestly clan of

## WOKE WARRIORS

follow closely in their footsteps.

And thus as what was before; we stand  
today yet again upon the cliffs of the end  
of the civilized world as did

## GAIUS SALLUSTIUS

as he looked on upon the world's fall into a  
deep dark age that took a 1,000 years to

# IN THE END DOES IT REALLY MATTER?

regain our proper sense.

Just as he wrote; there is no easy return and much as for the few of his age that cried out, the sounded the clear warning, these new

## WOKE TALIBAN

will descend down upon all of us who dare to raise our cries from out of the wastelands that await all who dare speak to the truth...any of us who elected the blue pill of Freedom...Our Woke Taliban Brothers warn all who dare question that you will all be cast into the great maelstrom(s) of a sea of fierily life outside proper society!

back porch got condemned by the city planning department...sure it would!  
And, not saying that it could or should, what would happen if your social credit score mysteriously dropped and due to your new score, you don't have enough points to live in your gated community. Terrible, troubling and fearful thoughts, we know!  
No need for any of that, Citizen!  
Aren't you already checking back on our socially responsible Family Plan Option?  
Thought so!  
Now just say “Family Plan Option” to your TV and we will take care of the rest.  
OH! By the way, you have mustard on your shirt. {**Minus 3 social credit points**}

“It only starting to dawn on me while practicing the Zen of Social Distancing - which seems to come rather natural given the true nature of how self-focused I have told that I am and which most swear is one of my better God given skill sets and super powers.”

# IN THE END DOES IT REALLY MATTER?

“I was awoke by an urgent banging on my hotel room door and I could barely make out what the muffled, panicked voice on the other side of the door was trying to tell me. Seems that the landlady was coming up the steps with her burly, Ex-Con nephews wanting my past due rent.

What else could I do?

I punched a hole in the room's plastic window and leaped the eight or so feet to the ground...”

He wears a gold headband and a small earring. He is standing in a park-like setting with a large tree on the left and a traditional building in the background.
